**Invest Lithuania** Lithuania Co-create

Invest Lithuania is the official agency for FDI promotion and business development. We provide free advice to global companies interested in launching their business in Lithuania, and introductions to experts on the ground. Our mission does not end at set-up, as we provide aftercare support months and years down the road. All our services are confidential and tailored to the specific needs of our clients. So if your company is considering a business set-up or looking to access one of Europe's most skilled talent pools, make us your first stop.
